Antennas

Satellite Dish Location

On gable end wall on south facing side of house.

Saorview Aerial Location

Saorview signal in attic.

Mobile Phone Repeater Aerial

On chimney.

Technical Notes

TV outlet socket should be F Type NON isolated to allow DC voltage pass.

HDMI socket boxes should be 40 mm deep. HDMI cable plug ends should be protected.

All CAT 5/6 cables should be labeled and terminated at both ends and tested.

Confirm height of socket outlets for wall mounted TVs with client. Wall mounted TVs may also require HDMI cables to be installed.

Electrical socket required in attic. One also required in utility at TV cabinet.

General Notes

Please confirm size of TV cabinet in utility with kitchen contractor/builder.
